Public Hearing & Regular Meeting of the Putnam Town Board

February 8, 2024, 7PM ~ Putnam Town Hall ~ Zoom

7:00 Public hearing called to order

A hearing on a proposed change to the Site Plan Review Application & Subdivision Application. The change would be the inclusion of an additional line on the application stating "By signing this application you provide approval for the Planning Board Members to come look at your property with prior notice"

Supervisor Wilson solicited comments from the audience. Resident Reggie MacQuesten addressed the Board first. Mr. MacQuesten voiced a concern that people trying to build in Putnam already must be in compliance with the Lake George Park Commission, the Adirondack Park Agency, and Washington County Code Enforcement. He expressed "it seems like they are leaning more toward enforcement than planning". Mr. MacQuesten advised that he and his wife are not in favor of the proposed change to the Site Plan Review/Subdivision applications.

Supervisor Wilson again solicited comments from the audience. Resident Karl Ohly via ZOOM addressed the Board next. Mr. Ohly stated that he has a history with the Planning Board. He stated that the history goes back to November of 2022 when he purchased shipping containers that were placed on his property for his farming operation. He stated he was contacted by the Planning Board, that said that he had violated the Site Plan Review Law "even though farms are exempt". Considering the cantankerous history with the Planning Board, Mr. Ohly stated he feels he would not get a "fair shake" if the Planning Board members were allowed to enter his property. Mr. Ohly stated that he feels the Planning Board has their own interests in mind and those of Councilman Shiell. He continued that he has witnessed "one sidedness, and unfairness with the Planning Board". He cited others who have shipping containers but have not been addressed by the Planning Board. Mr. Ohly said he has a problem with trust, and there is "such potential here for retribution", " for personal gain". Mr. Ohly is not in favor of the proposed change to the Site Plan Review /Subdivision applications.

Supervisor Wilson asked thrice if anyone else wished to be heard. There were no further comments.

7:11 Public Hearing closed.

7:12 The Regular Meeting of the Putnam Town Board called to order.

Councilwoman Kayla Bennett led the Pledge of Allegiance.

Roll Call

Members present: Supervisor Darrell Wilson

Councilwoman
Councilwoman
Councilman
Councilman
Councilman
Councilman
Councilman
Charles Bain

Others present: Mary Jane Dedrick (Deputy Clerk, P.O. Box 14), Gary Treadway (Highway Superintendent, Treadway Lane), May Drinkwine-Shiell (Resident, 439 County Route 3), Kay Greenough (Resident, 427 County Route 3), Dave Hayes (PVFD, 560 Gull Bay Road), Robert Winn (Town Attorney, 13 North Street, Granville, NY 12832), Cee McKenzie (BAR Chair, Budget Officer, 526 Gull Bay Road), Sally Thurston (15 Commons Way, Hague), Joe Thouin (LCPC), Ken Paulver (LGPC), Jim Niles (Lake Luzerne), Mark Karlson (Planning Board member, Black Point Road), Carol Jockel (Resident, 705 Gull Bay Road), David Hayes (Fire Department, 560 Gull Bay Road), Dave Wick (Lake George Park Commission), Paul Ferguson (Town of Dresden Supervisor), Jashua Patchett (Hugue), Jeanette MacQuesten (Resident, Glenburnie Road)

Present via ZOOM: Nancy Wolf-Fisher (Resident, 5183 Sagamore Road), Karl Ohly (Resident, 428 County Route 3), Glen Brownstein, Jeffery Lape, Nancy Hawley, Tom Connell, Craig, Ginder Henry Kuenzel, Cynthia Moulton, John Kelly, Mike Kelly, CTKO, Kevin

Resolution #31

Accept the minutes of the March 14, 2024, Regular meeting

On motion of Councilwoman Carole Schneider, seconded by Councilwoman Kayla Bennett; all in favor. Resolution unanimously adopted.

Resolution #32

Accept the Financial reports for the month of March 2024

On motion of Councilman Larry Shiell, seconded by Councilwoman Carole Schneider; all in favor. Resolution unanimously adopted.

Resolution #33

Accept the Town Clerk's report for the month of March 2024

On motion of Councilwoman Kayla Bennett, seconded by Councilman Charlie Bain all in favor. Resolution unanimously adopted.

Resolution #34

Accept the Town Justice Report for the month of March 2024

On motion of Councilwoman Carole Schneider, seconded by Councilwoman Kayla Bennett; all in favor. Resolution unanimously adopted.

Resolution #35

Pay bills as audited

On motion of Councilman Larry Shiell, seconded by Councilwoman Kayla Bennett; all in favor. Resolution unanimously adopted.

Resolved, the bills on the following are paid as audited.

General Fund	# 58-83	\$39,469.47
Highway Fund	# 29-39	\$8,037.32
Black Point Sewer District	#3	\$21,123.14

Guests

Supervisor Wilson invited Dave Wick Executive Director of the Lake George Park Commission and Chris Navitsky the Lake George Water Keeper to give the Board more information regarding the use of ProcellaCOR in Lake George. Mr. Navitsky and Sally Thurston presented information in opposition to the use of ProcellaCOR. Dave Wick also spoke, then Lake Luzerne Supervisor Jim Niles in favor of the use of ProcellaCor. (See attached articles of information submitted to the clerk) More information can be found at the web addresses below.

https://lakegeorgeassociation.org/waterkeeper and https://lapc.ny.gov/invasive-species-management-0

Correspondence

Nancy Wolf-Fisher – Opposing the use of ProcellaCOR EC Mark Wright- Town of Ticonderoga's Board Objection to the use of ProcellaCOR Chris Mallon-Cemetery regulations suggestion LGA- Floating Classroom Municipality Day

Courtesy of the Floor

Paul Ferguson, Dresden Supervisor addressed the Board first. Supervisor Ferguson relayed that the Town Board of Dresden remains in opposition to the use of ProcellaCor.

Mary Jane Dedrick reported that the boat launch will be open beginning May 4, 2024, on Saturday's and Sundays from 11am-7pm until Memorial Day. Memorial Day through Labor Day the launch is open 6 days a week, closed on Tuesdays, 11am – 9pm the other six days. Labor Day through October 31, 2024, the launch will be open Saturday and Sunday 11am-7pm.

Highway Report

Highway Superintendent (HS) Gary Treadway brought the topic of Juneteenth and giving the crew the day off now that it is a federal holiday, but not in their contract. The next contract will include the holiday.

Resolution #36

Accept Juneteenth as a Federal Holiday and day off for contracted workers in the Town of Putnam going forward.

On motion of Councilman Charlie Bain, seconded by Councilwoman Kayla Bennett.

Roll Call

Carole Schneider Yes
Kayla Bennett Yes
Larry Shiell Yes
Charles Bain Sr. Yes
Darrell Wilson Yes

Resolution unanimously adopted.

HS Treadway sought guidance from the Board regarding renting Cummings Park Pavilion with the embankment issues. The Town Clerk has begun to get calls for rentals in the 2024 season.

A discussion took place about the embankment issue and any potential risk to patrons and renters of the pavilion. It was decided that the pavilion will not be part of the rental agreement. Renters will have the use of the grounds and bathrooms. A fence will be erected on the embankment edge and appropriate signage will be put up to as a barrier and a notification of risk to park users. Rentals fees will be reduced by 50%.

Resolution #37

Rent Cummings Park grounds and bathrooms with no guarantee of the pavilion, at a 50% rental fee reduction. Erect a fence on the embankment on the lake side of the pavilion

On motion of Councilman Charlie Bain, seconded by Supervisor Wilson. Councilman Larry Shiell abstained from the vote. Councilwoman Carole Schnieder voted no. Councilman Charlie Bain, Councilwoman Kayla Bennett and Supervisor Wilson voted yes.

Resolution passed by majority vote.

Councilman Shiell advised that the floor drain in the highway garage needs repair.

HS Treadway advised that the cement has deteriorated over time creating a gap between the steel grate and drain. HS Treadway will look into the costs of repair.

Planning Board Report

The Planning Board Chair Bill Brown reported at the prior evenings meeting of the Planning Board consisting of Ken and Nancy House were approved for their building permit. Christina Pichler who is trying to merge two lots is waiting for additional documents. John and Anitia Messiner are waiting for additional documentation and will return next month. Anthony Page is building a home on Liddle-Harris was approved. Casey Devlin was notifying the Planning Board of his intentions to improve an existing deck on his home.

PBC Bill Brown also advised the Board of the Adirondack training forum being offered for Planning entities in the state at the Hotel Saranac April 24th, and 25th. The room rate is \$107, and the conference is \$134.38 plus mileage. PBC Brown would like to attend it.

Resolution #38

Approve the Planning Board Chair to attend training at Hotel Saranac

On motion of Councilman Larry Shiell, seconded by Councilwoman Kayla Bennett.

Roll Call

Councilwoman Carole Schneider	Yes
Councilwoman Kayla Bennett	Yes
Councilman Larry Shiell	Yes
Councilman Charlie Bain Sr.	Yes
Supervisor Darrell Wilson	Yes

Resolution unanimously adopted.

Fire Department report

Fire Department Member David Hayes advised that the quarterly report has been submitted to the Town Clerk (See attached), also that the fire department will have an open house on Sunday April 13th from 11am-3pm as part of a statewide event to encourage the public to volunteer. The 2024 Chicken Barbeque is set for Saturday July 27th, 2024.

Old Business

Policies- Drug Free Workplace, Progressive Discipline, Violence in the Workplace.

Resolution #39

A blanket motion to adopt policies for A Drug Free Workplace, Progressive Discipline and Violence in the Workplace.

On motion of Councilwoman Kayla Bennett, seconded by Councilwoman Carole Schneider; all in favor. Resolution unanimously adopted.

Site Plan Review proposed application change- This will be revisited at May's meeting.

Cemetery Regulations- The Board reviewed the proposed regulations for the foundation of monuments and stones. Chris Mallon's correspondence suggestion will be added to the regulations. The Town Attorney Mr. Winn will make the suggested changes. The Regulations will be revisited at May's meeting.

ProcellaCor EC- a discussion about the information presented earlier in the meeting took place. No action was taken.

Councilman Charlie Bain asked HS Treadway about the progress on the sign for the entrance of Cummings Park. HS Treadway will revisit the information for the sign agreed upon last season, He will also contact the Washington County sign shop to see if a sign can be made there.

Councilman Shiell asked what was being done about the situation spoken about at last month's Executive Session. Attorney Winn advised he has reached out to the couple who were the subject of discussion in the Executive Session. Attorney Winn does not believe the Town would have a successful enforcement violation against them. The couple indicated that they had hired an engineer and plan to go to the Planning Board. They have plans to correct the property line issues with their neighbor.

New Business

None

Resolution # (40)

Adjourn the Regular Meeting of the Putnam Town Board

On motion of Councilwoman Carole Schneider, seconded by Councilwoman Kayla Bennett; all in favor. Resolution unanimously adopted.

Next meeting is scheduled for May 9th, 2024, at 7PM at the Putnam Town Hall and ZOOM.

Respectfully submitted, Darlene Kerr Putnam Town Clerk

Darrell Wilson	Supervisor
Carole Schneider	Councilwoman
Kayla Bennett	Councilwoman
Larry Shiell	Councilman
Charles Bain Sr.	Councilman

Ken Parker Chairman Dave Wick Executive Director

LETTER OF NOTIFICATION

Date:

January 30, 2024

Subject:

Proposed Invasive Plant Management Program Blairs Bay & Sheep Meadow Bay in

Lake George

The Lake George Park Commission is the NYS agency responsible for protecting Lake George and management of invasive species. The Commission is applying to the NYSDEC and the APA to use an aquatic herbicide to control the invasive plant Eurasian Watermilfoil (EWM) in two small areas of the lake: Blairs Bay (4 acres) and Sheep Meadow Bay (3.6 acres), exactly as was proposed in 2022 but never conducted. See maps below:

Blairs Bay

Sheep Meadow Bay

The herbicide, ProcellaCOR EC, will eliminate Eurasian watermilfoil for multiple seasons in the treatment areas, but will not impact most native plants. ProcellaCOR EC will be applied at less than 10 parts per billion (a rate roughly equivalent to a single drop in a typical swimming pool), a rate which is vastly lower than most other aquatic herbicides. NYSDEC and APA permit applications have been submitted for approval for the treatment.

It is anticipated that the treatment will take place on one day between May 17 and June 30, 2024 pending permit approvals and the appropriate stage of target plant growth. Notification of the actual date of the treatment will be submitted to the Towns of Putnam and Dresden, the APA and the NYSDEC at least 7 days prior to application and will be posted along the shoreline on the day of the application. While there are no public health impacts or drinking water restrictions from this aquatic treatment, the roads along the affected lakeshores are required to be posted at the time of the treatment. A restriction on lake uses in the treatment zones during the application will be in effect, approximately 3 hours per site. Following application, livestock watering and irrigation will be restricted until the concentration of the herbicide measures < 1 ppb.

There are no restrictions on swimming, fishing or drinking/domestic water use following this treatment.

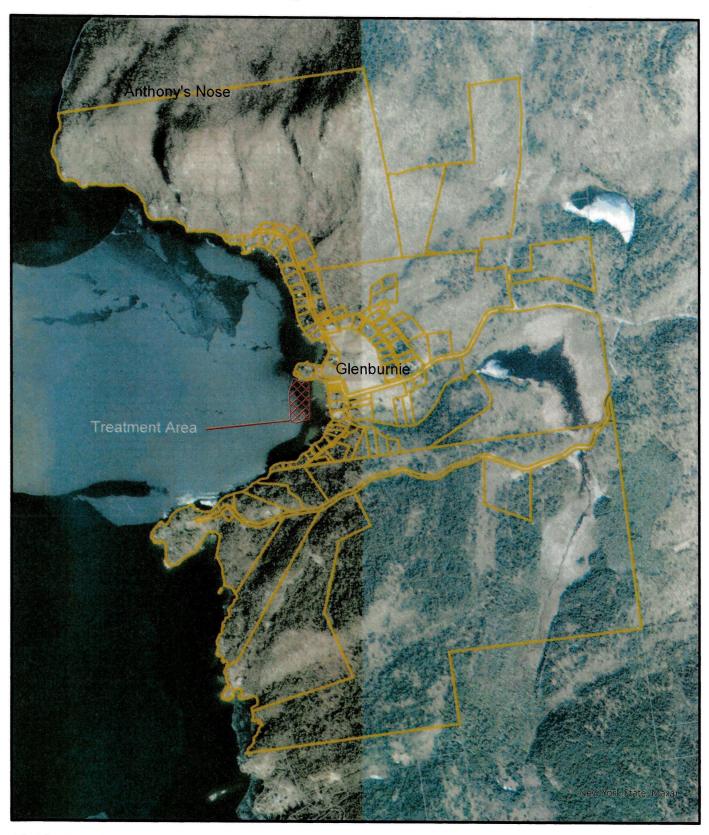

Following application, water samples will be collected at 12 and 24 hours, and 3 and 7 days to determine any remaining concentration of herbicide in the water. Given the exceedingly low dosage and fast breakdown rate, the herbicide is typically undetectable in the water after 1-3 days, but the livestock water use restriction is anticipated to take 7 days to complete sampling and receive approval from NYSDEC to remove restrictions.

The ProcellaCOR EC product label is available for review on the LGPC's website lgpc.ny.gov/procellacor-ec-sln-primary-label. You have twenty-one (21) days to respond to this notice. If you would like to object to the proposed application(s), you must file a written document stating your objection to the proposed application. Your objection must demonstrate that your use of the water body will be significantly adversely affected. If you do not respond to this notice, your lack of response will be considered to be consent to the proposed application. If you have any questions on the permitting process, please contact the DEC representative listed below.

Brian Primeau, Bureau of Pesticides Management NYSDEC, Region 5 232 Golf Course Road, Warrensburg, NY 12885-0220

If you wish further information about the proposed management program or ProcellaCOR, please visit the Commission's website at lgpc.ny.gov/procellacor-pilot-treatment or contact the Lake George Park Commission at 518-668-9347 Monday through Friday from 8am to 4pm.

ProcellaCOR & Lake George A Scientific Assessment of Risks

LGA/Waterkeeper Presentation to Town of Putnam April 11, 2024

Agenda

- LGA Introduction
- ProcellaCOR Registration & Risks
- Blairs Bay Circulation & Results
- Ecological Questions

Very Limited Peer Reviewed Research

- Based on industry submitted studies
- EPA does not perform independent testing
- NYSDEC did not perform any testing
- 364 studies submitted to EPA 345 (95%)
 are <u>unpublished industry studies</u>
- First studies submitted to EPA in 2015

Florpyrauxifen-benzyl

Florpyrauxifen-benzyl (XDE-848 Benzyl Ester, Rinskor™) PC Code 030093 CAS No. 1390661-72-9

ACCEPTED FOR REGISTRATION

ONLY IN CONJUNCTION WITH NEW YORK STATE SPECIFIC SUPPLEMENTAL LABELING SLN NY- 190001

February 22, 2019

New York State Department of Environmental Conservation Division of Materials Management Pesticide Product Registration Section

ProcellaCOR. EC

A selective systemic herbicide for management of freshwater aquatic vegetation in slow-moving/quiescent waters with little or no continuous outflow: ponds, lakes, reservoirs, freshwater marshes, wetlands, bayous, drainage ditches, and non-irrigation canals, including shoreline and riparian areas in or adjacent to these sites. Also for management of invasive freshwater aquatic vegetation in slow-moving/quiescent areas of rivers (coves, oxbows or similar sites).

FLORPYRAUXIFEN-BENZYL GROUP 4 HERBICIDE

1103.240

Keep Out of Reach of Children Active Ingredient:

Refer to the inside of label booklet for additional precautionary information including directions for use.

Agricultural Chemical: Do not ship or store with food, feeds, drugs or clothing.

Produced for: Se PRO Corporation 11 550 North Meridian Street, Suite 600 ProcellaCOR is a trademark of SePRO Corporation.

Florpyrauxifen-benzyl: 2-pyridinecarboxylic acid, 4-amino-3-chloro-6-(4-chloro-2-fluoro-3-methoxyphenyl)-5-fluoro-, phenyl methyl ester....................... 2.7%

Contains 0.0052 lb florpyrauxifen-benzyl per Prescription Dose Unit (PDU) or 0.21 lb florpyrauxifen-benzyl/gallon. 1 PDU is equal to 3.2 fl. oz. of product.

Notice: Read the entire label before using. Use only according to label directions. Before buying or using this product, read Warranty Disclaimer and Misuse statements inside label booklet. If terms are not acceptable, return at once unopened.

EPA Reg. No. 67690-80

Net Contents 40 PDU

Aquatic Herbicide

(Non-refillable)

Classified for "RESTRICTED USE" in New York State under 6NY CRR Part 326

Risks of ProcellaCOR Stated on Label

- Environmental Hazards Can result in loss of oxygen from decomposition of plants, which can cause fish suffocation.
- Resistance Management May develop biotypes that are resistant to treatment and if used persistently at a site, resistant biotypes may dominate.
- Use Restrictions Do not use treated water for irrigation; Do not allow contact with carrots, vegetables crops, flowers, ornamental shrubs, or trees or other desirable broad leaf plants; Do not compost any plant material from treated area.

Risks of ProcellaCOR According to EPA

"Based on available toxicity data and mode of action, risks to vascular aquatic plants, and to a lesser extent non-vascular aquatic plants, from the proposed uses of florpyrauxifenbenzyl (and its degradation products) are expected. Where these effects occur, they would be expected to also have indirect effects on organisms that occupy higher tropic levels, especially aquatic invertebrates, fish and herbivorous, insectivorous and piscivorous birds and mammals." (U.S. EPA Environmental Fate and Risk Assessment, pg 115)

Bass in Blairs Bay Sept 2023

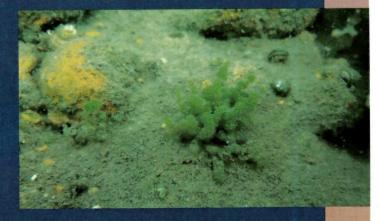

Reduced Efficacy of ProcellaCOR Likely

- Use is not compliant with label
- Proposed bays are not "quiescent waters with little or no continuous outflow"
- Water exchange will adversely impact pesticide concentration-exposure time
- "Predicting the fate of organic chemicals in the environment is difficult due to the inability of laboratory studies to replicate field conditions" (Van Frost 2023)

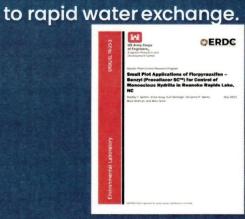

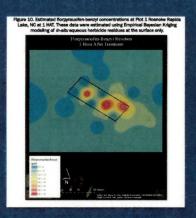

Reduced Efficacy of ProcellaCOR Proven

"To develop and establish new and/or enhance current florpyraxifen-benzyl use patterns, the collection of concentration and exposure time (CET), herbicide efficacy, species selectivity, and water quality data from the field is crucial (Sartain 2023). Pesticide concentrations and exposures were not sufficient due

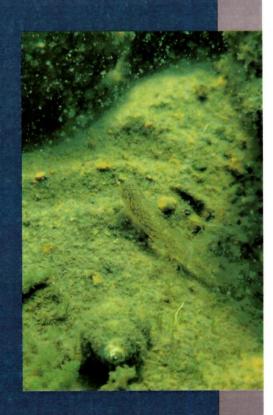

Persistence of ProcellaCOR Increases Potential Harm

- Rapid water exchange will move pesticide into deeper waters increasing half-life from 2-4 days (photolysis) to 111 days (hydrolysis)
- Degradates exhibit same auxin hormone/herbicidal properties and remain in lake for 20-30 days (Van Frost 2023)
- Remains in sediments for prolonged periods increasing impacts

ProcellaCOR Could Grow More Milfoil

- Hormesis Increased plant growth due to dilution of pesticide
- "Further research is required to specifically evaluate the lower florpyrauxifen-benzyl threshold concentrations and exposures that deter possible hormesis in common field application scenarios; notably in high water-exchange situations."
 (Howell 2022)

Native Plants Harmed; Milfoil Becomes Resistant

- Synthetic auxin is not selective (Nault et al 2018)
- Native plants/communities are susceptible to impacts from pesticide: Pondweeds (Potamogeton), stargrasses, native milfoils, etc.
- Potential of resistant milfoil strains (ProcellaCOR label)

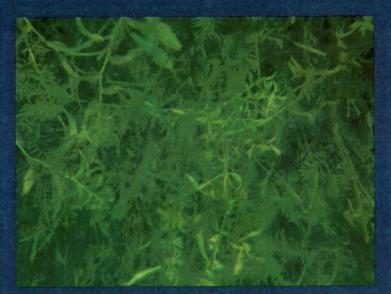

Native Plants at Risk in Blairs Bay

Native plant communities in Blairs Bay, Sept 2023

ProcellaCOR Attacks Nitella

- 50% Drop is not "Negligible"
- Nitella is an important native plant to Lake George ecosystem
- Results from Minerva Lake
 2020 treatment, SOLitude

Table 2: 4 Year Change	SCIENTIFIC NAME	2019	2020	2021	2022	CHANGE
COMMON NAME	SCIENTIFIC NAME					CHANGE
Eurasian watermilfoil	Myriophyllum spicatum	66%	0%	0%	2%	Decrease
Common waterweeld	Elodea spp.	60%	63%	74%	71%	Increase
Flat-stem pondweed	Potamogeton zosteriformis	50%	54%	59%	65%	Increase
Southern naiad	Najas guadalupensis	41%	60%	10%	68%	Increase
Macro-algae	Chara/Nitella spp.	38%	48%	23%	24%	Negligible
Institution pondweed	Potamogeton pusillus	44%	21%	33%	16%	Decrease
Watershield	Brasenia schreberi	37%	26%	20%	21%	Decrease
Bassweed/Large-leaf pondweed	Potamogeton amplifolius	30%	37%	52%	43%	Increase
Ribbon-leaf pondweed	Potamogeton epihydrus	18%	34%	28%	7%	Decrease
Northern naiad (2019) Slender naiad (2020, 2021)	Najas gracillima	17%	9%	2%	0%	Decrease
Slender naiad (2019) Nodding naiad (2020, 2021)	Najas flexilis	16%	35%	82%	43%	Increase

Chart from APA Presentation, March 13, 2024

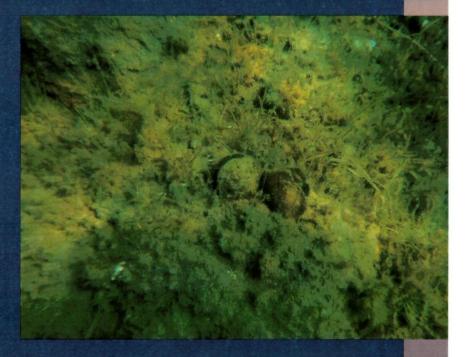

Potential for Chronic, Sublethal Effects

- Concerns of impacts to benthic macroinvertebrates
- EPA findings are "slightly toxic," which indicate potential chronic impacts
- Studies on freshwater mussels state "potential and sublethal effects remain uncharacterized and warrant additional studies"

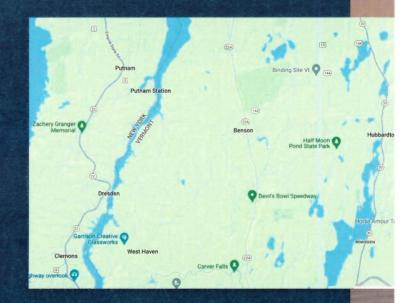

VTDEC Just Denied ProcellaCOR Permit

- VTDEC recently denied a permit for ProcellaCOR in Lake Bomoseen.
- Unacceptable risk to non-target environment
- No long-range management plan or schedule for pesticide minimization
- Tangible benefits to the public do not outweigh potential negative impacts

Subject: Use of ProcellaCOR

The Town of Ticonderoga remains

committed to the protection of Lake George. The Ticonderoga Town Board remains unchanged it its opposition to the use of ProcellaCOR in Lake George until such time as the necessary and convincing scientific evidence can be gathered regarding the potential adverse impacts to Lake George water quality, human health, and aquatic plant and animal life.

Mark A. Wright

Supervisor

TOWN of DRESDEN, N.Y.

Washington County

The Town of Dresden remains committed to the protection of Lake George. The Dresden Town Board remains unchanged to its opposition to the use of Procellacor in Lake George. The Town Boards decision will remain until such time as the necessary convincing scientific evidence can be gathered regarding the potential adverse effects to Lake George water quality, human health, aquatic plants, and animal life.

04/08/24

Thank you,

Town of Dresden Supervisor

Paul Ferguson

Marelin Diekel

March 16, 2024 5183 Sagamore Road Putnam Station, NY 12861

Putnam Town Board,

I object to the Lake George Park Commission using the synthetic hormone herbicide ProcellaCor in Lake George.

As several people have stated - even though milfoil is a problem, it is not an emergency and the use of something with unknown long term effects should not be used.

Although the federal EPA and state DEC have registered the product for use - the long terms health and environmental impacts have not been fully evaluated.

Question - what was the first time ProcellaCor was used in a fresh water/drinking water deep wide open lake such as Lake George? Unless that answer is 30+ years, we don't have enough data to make an informed decision as to possible long term effects.

As far as I know, the effectiveness has been tested in shallow, contained areas. Lake George does not fit that criteria. Question - how can LGPC know the herbicide will not drift into other areas of the lake?

Until we know fully the long term health and environmental impacts, ProcellaCor should NOT be used in Lake George.

Sincerely,

Nancy Wolf-Fisher

Putnam Volunteer Fire Company (PVFC) 1st Quarter 2024 Report to the Putnam Town Board April 11, 2024

Presented by D. Hayes, PVFC Secretary

2024 PUTNAM FIRE COMPANY OPEN HOUSE: THIS SUNDAY, APRIL 14, 11:00 AM - 3:00 PM

Staffing and Training

There are currently 11 members in the Putnam Volunteer Fire Co.. Eight members are Interior Firefighters, two are Exterior Firefighters, and one has completed the fire police course. Two members are certified EMT's and all members have current CPR certifications. Company members are expected to regularly refresh and update their skills through weekly drills and formal coursework led by NYS certified instructors. One of our exterior firefighters will be taking the Interior Fire Operations course this Spring. Our Chief, Doug Thatcher, is a NYS Fire Instructor who is certified in several subspecialties.

Emergency Responses

During the 1st quarter the PVFC received seventeen 911 calls, which can be broken down as follows:

EMS --- 8

Motor Vehicle Accidents in Putnam --- 2

Fires in Putnam --- 1

Fires in Ticonderoga --- 1

Fires in Crown Point --- 1

Power Lines Down --- 1

Standby in the Putnam fire station --- 1

Standby at the Ticonderoga fire station --- 2

To provide historical context a table is included as an Appendix to this report showing the number and wide variety of calls for emergency help the fire company has received since 2017. It is our mission to be an emergency service that is trained and equipped to respond to all hazards.

Budget Forecast, Expenditures, and Overall Financial Condition of the Company

We have enclosed as another Appendix the current version of our 2024 budget (revenues, forecasted expenditures, and actual year-to-date expenditures). The balance in our operating budget account as of the end of March was \$133,932.34. Monies set aside in previous years to put in our truck replacement fund are now directed to making annual loan payments of \$34,666.11 on our new fire engine. We are currently carrying two truck loans with total annual

payments of \$65,096.59, or 39% of our total budget. Final truck loan payments occur in 2028 and 2039.

Condition of the Fire Trucks

The PVFC has five fire trucks: two engine/pumpers and one water tanker for fighting fires and responding to motor vehicle accidents and hazardous incidents, one SUV (a Chevrolet Tahoe) for EMS calls, and one truck to take members and their gear to rescue scenes, including water and ice rescues. The latter truck was purchased from another fire company using funds donated by Putnam Town residents. During 2023, also using fundraising funds, we purchased a 20-foot boat to use in water rescues and were given, at no cost, a hovercraft from the North Queensbury Fire District to use with ice rescues.

All our trucks undergo regular servicing and NYS inspections. Our newest pumper arrived this past summer and replaced a truck that was 32 years old. It is short and has 4-wheel drive making it particularly suitable for reaching houses on narrow and unpaved roads, such as are found in the Gull Bay and Glenburnie areas. It carries 1250 gallons of water, compared with 500 gallons on the truck it replaced. Our next newest pumper is 11 years old, and our tanker is 22 years old. Our fire trucks collectively carry 5,000 gallons of water, which is needed because the Town does not have fire hydrants.

Condition of other Equipment

Our other emergency response equipment is in good shape. There is a need for annual inspections and replacement of hoses and air-packs, inspections of ladders and fire extinguishers, and calibration checks of air monitors. We are up-to-date on all of these and the future costs of doing these are built into each year's budget forecast.

Condition of the Fire Station Building and Grounds

The fire station has many maintenance needs but none of them are emergencies. All the basic systems, heating, septic, electrical, and water, are functioning properly. The maintenance concerns pertain to poor insulation, poor condition of the interior paint, and the poor condition of the interior walls. We also need additional space for our turnout gear and washer and dryer, which for health reasons should be in their own room but are currently located in the main truck bay. During 2024 we have set aside \$15,000 in our budget for building maintenance. In 2023 we hired a contractor to paint the walls in the main truck bay and installed a 26 KW standby generator for the firehouse. One of our goals is to make the firehouse a suitable place of refuge in case of a town disaster.

Communications to the Community

Each summer we send an annual newsletter to all Putnam property owners describing our activities during the preceding 12 months.

External Grant Applications

We received a \$24,000 FEMA-AFG grant in 2023 to purchase an extractor (washer) and dryer for our turnout gear. These have now been purchased and delivered to us and are

currently being installed. Also, in late 2023, we received notification that our application to DEC for a grant in the amount of \$5,000 for assorted equipment and hoses was approved. In early 2024 an application for a \$35,000 grant from the Firehouse Subs Foundation was submitted but, we recently learned, unfortunately was not funded. In February we submitted a new FEMA-AFG grant in the amount of \$61,500 for replacement fire hoses and nozzles. Finally, we recently received a \$1,000 grant from Sylvamo Corporation for 4 battery-powered portable high-intensity lights to be used when responding to night-time emergencies.

Fundraising Efforts

Our annual Chicken BBQ typically yields a small net income of around \$1,000. Our annual newsletter to the Putnam community is generally a more successful fundraising effort and usually yields \$10,000 - \$12,000 in donations to the fire company.
